This three-way scene with Renee Ross and Samantha (from the DVD *K-Jugs*) belongs in a big-boob hall of fame. This may have been our greatest team-up yet!

Titan Three-Way

Dear XL Girls.

I was wondering when the threeway with Samantha and Renee was going to run. It's one of my allfavorite scenes from The SCORE Group. If you are a true boob man, there is no way that you could deny the awesomeness of that scene. Samantha had always been my number one from the first day I saw her, but I have to admit that when Renee popped onto the big-boob scene, I was torn. I could see why there was a rivalry between them! Seeing all that competition built up into sexual tension was great. What a lucky guy their boss is. If I were ever in a position to have sex with both Samantha and Renee at the same time, you could shoot me as soon as I blew my load and I would have died a happy man. Thank you for printing this wonderful, unique photo set of two amazing women.-C.S., Boston, Massachusetts

A Simple Thank You

Dear XL Girls,

Hi. I've been meaning to write you for a while now and say thanks. The women in your magazine are beautiful, sexy and just plain sumptuous. I regret that it wasn't until my first relationship with a voluptuous woman that I realized the awesomeness of those fleshy bodies. I think clothes for the larger woman detract from their true sexiness.

Because of your models I can look at a woman on the street and discern if she is sloppy fat or voluptuous. Yes, I know you can't judge a book by the cover, but some of the coverings that most large girls wear are not right to show off their true beautiful bodies. I have seen some who did know how to dress, and I was not able to stop looking at them. Yes, I do get caught sometimes, and I can only smile that "you are so awesome, girl" smile.—Anonymous

Jack-Off Paradise

Dear XL Girls,

Just a quick email to commend you on your Feb. '12 (SP222) issue, which is a jack-off paradise. Anorei Collins...Jesus, words fail me. Just incredible, and that centerfold of her is going to be the recipient of many of my loads for a long time to come, I can tell you.

Speaking of loads, it was refreshing—and arousing—to see Angellyne Hart's pudgy pudenda take a gooblast in her fantastic XXX pictorial. After her face, my favorite place to cum on a woman is the pussy. So let's see more slots get spooged.

And speaking of pussies...it seems in recent issues' letter sections that the hairy bush lobby has been gaining the upper hand. So I'd just like to redress the balance and speak out in favor of bald boxes. I'm not deriding anyone for liking bush and, in fact, I don't mind a bit of downy fur on my burger either, but something like Katherine James' full-on forest is just a complete turn-off to me. To each his own, but I'd much rather snack 'n' spunk on Porsche Dali's clean-shaven cooze-magnificently on display on page 76 of the Feb. '12 mag (I also wouldn't mind joining her fantasy of shooting all over her while she lezzes it up with another XL hottie...what a cock-hardener that was to read.)

Later, *XL*, and keep those babes coming!–K.S., United Kingdom

More Fuzz

Dear XL Girls,

Hi there. I just wanted to say how much I love your magazine. I just purchased your Feb. '12 issue (SP222) and that's the best one yet because I love your girls with some fur down there. You have four girls in there that are pretty nice. All I want to say is I

Many readers want to see more models with a bush like Karla's.

would like to see more girls with hair on their pussies. 'Cause they all look different–some trim, some leave a strip, but nothing gets me more horned up than full bush. I remember the first girl of yours I think I ever saw was Sarah Mercury. So, keep up the good work. Awesome.–R.T. Rose Valley, Saskatchewan, Canada

Knockout Knockers

Dear XL Girls,

It has been a long, long time since I last wrote, but I had to put "pen to paper" today to send you a very special congratulations on your Nov. '11 issue (SP218).

Every woman in that issue is a knockout, but I wanted to specifically thank you for bringing us: Lisa Canon, because of her...tummy! Vicki Black, because a little more "color" in XL Girls is always welcome. Silvie, because her spread butt cheek shots (especially on page 64) are awesome, and the rest of the "gynecological quality" shots in the layout are just what I love to see. And Danica Danali, because of her great brown-eye shots.

Here are a few things I'd like to see in *XL Girls*: more anal action. If a model will even just try it, please make sure you capture it for us. More interracial action. Black on white, white on black, Hispanic on white, Asian on black–any combination is good if the woman is truly and *XL*-style model. More pregnant women. Can you imagine Lisa Canon eight to nine months pregnant? Wow!

I want to see more facial/oral money shots. I know you guys like to keep it on the glamorous side (money shots on the breasts) but once in a while it would be nice to see something truly nasty in XL Girls. More lactation. Surely more of your models than the recent one from the Dominican Republic get pregnant. If they are shy about showing a pregnant tummy, at least urge them to share the milk with us-in a hardcore layout, if possible! More bare feet and toes. Women paint their toenails and get pedicure for a reason: to make their tootsies look good. Take advantage of that and show appreciation for the details that women take care of for our benefit.

Finally, I'd like to put in a request for the return of some old favorites—with updated nude/hard-core layouts from today, not yester-year, of course. (The recent return of Diane Poppos and Carol Brown in the recent issues of *Voluptuous* caused me to add this section. They look even

More Interracial

Dear XL Girls,

Thank you for giving us Lisa Canon on that black cock. She is one of my favorite models, and I loved seeing that big, black cock in her mouth and in her pinky pussy. A girl like her is built to be pounded by a black stallion, and I jerked my cock so hard to her photos that I was sore. Please include more interracial scenes. They are the hottest. I would also really like to see an interracial scene with two girls. That is my ultimate fantasy—to have a sexy black woman and a hot white girl both licking my cock and

letting me fuck their pussies one after another.–T.P., via email

Beating Off for BBWs

Dear XL Girls,

My Full Figured Foxes 2 DVD arrived just days before my Feb. '12 (SP222) XL Girls back issue, which had a goldmine of hot, plump asses, juicy pussies and huge titties. What a wonderful way to end the year and start a new one-by jacking a load to the DVD scene of Anorei Collins milking her swollen 38P knockers. She looked so gorgeous on the Feb. '12 cover. I sure hope she does some layouts for V-mag also. She will definitely top my list of favorite plumpers from XL Girls and V-mag over the years. I love stroking my cock to her Feb. '12 XL Girls layout while I watch as she milks her engorged 38P jugs. Just marvelous! Many loads will be released to her beauty.

When I saw the pretty face of Katherine James debut in the Feb. '12 XL, I was made even hornier. I've loved her hairy, juicy twat since I laid eyes on it in the Oct. '07 and Aug. '09 issues of V-mag. I have blown many loads to those two layouts of her. Now I can set out all three issues to

ELAINA GREGORY

Elaina has made a splash over at *Voluptuous*, but if this is your first time seeing her, here a few tidbits about her. She's a housewife and her husband is a fan of The SCORE Group. He suggested that Elaina model for us, and she went for it. "I like to take sexy pictures in the bedroom and try on outfits for my husband. So shooting for you guys seemed like it would be fun." No wonder Elaina is a natural when it comes to big-boob modeling!

You might not have guessed it, but Elaina used to be in the military.

"I served in the army. It was a challenge with big boobs, even just squeezing them into my uniform. At the time I didn't like my boobs, and I wanted to get them reduced. I had to be very active while I was in the army and they just got in the way of everything. Not to mention all the guys would always make rude comments about my chest. But then something changed. I realized that I really liked having big boobs, and they're part of what makes me unique. I'm so glad I changed my mind about that."

ZETAVERRONE

XL Girls: Welcome to the *XL Girls* studio, Zeta. How are you doing today? **Zeta:** I'm good. A little nervous, but still good.

XL Girls: There's no need to be nervous. We'll try to make this as painless as possible. So for starters, where are you from?

Zeta: I grew up in Waco, Texas.

XL Girls: And you've lived there your whole life?

Zeta: Yes, more or less. My dad was in the army so I got to go to a couple of other places. But I was too young to know I was somewhere different.

XL Girls: How did you hear about us?

Zeta: My husband. **XL Girls:** He's a fan?

Zeta: Yes, he is. Of The SCORE Group. He knows his big boob stuff.

XL Girls: Are you new to modeling?

Zeta: Yes I am.

XL Girls: Is this your first time?

Zeta: Yes it is.

XL Girls: You're a newbie. So, why did you decide to get into modeling?

Zeta: It started with my husband. He asked if we could sell shots of my boobs because he really likes them. So he did all the research and it just went from there, and I got into it.

XL Girls: So you wanted to give your boobs more exposure?

Zeta: It went from just boobs to my whole body. And it happened pretty fast, too.

XL Girls: Yeah, that's how it goes. Okay, I'm going to backtrack a little. When did you first start to develop?

Zeta: Oh my gosh, I don't even remember. I do know I was a size C in sixth grade. I don't even remember A and B cups.

XL Girls: By the time you got into high school you were probably pretty busty, right?

Zeta: Oh yeah. I was a D by the time I graduated high school.

XL Girls: Were you popular in high school 'cause of your looks?

Zeta: I wouldn't say I was popular. I knew the different cliques and they knew me. We hung out every so often and went to parties. But I wasn't a "popular" kid.

XL Girls: You weren't known for your boobs at all?

Zeta: No, I don't think so.

XL Girls: You wrote that you were on the drill team. You were a dancer?

Zeta: Yes, at one time.

XL Girls: How long did you dance for? **Zeta:** Three years.

XL Girls: Are you flexible? Can you do splits or put your legs behind your head or anything like that?

Zeta: The last time I checked I could do them, but I haven't in a few years. I used to do them when I'd have sex and they always seemed to go over well. Now that you mention it I think I need to bring them back.

XL Girls: On your model questionnaire you wrote something about having sexual encounters in the middle of nowhere. Could you tell us more about that?

Zeta: My most memorable one was with my husband, before we got married. He has a 1979 pick-up truck and we were in Alvin, Texas. There was an off-road and we drove down it a little bit till we got to a certain spot. Then we got out and had sex on the hood and in the back. And it was like 30 degrees. It was cold!

XL Girls: You also said that you've had some threesomes. How did those come about?

Zeta: Well they were here and there in life. I think I had one before my husband, but most everything else I've

done has been with him. But anyway, I was shy, real shy. It was new to me at first. But now I'm used to them and I know what I like before going into it.

XL Girls: Do you have a preference with the combination, like two girls and a guy or two guys and a girl?

Zeta: I don't have much experience with two guys and me. But I don't really have much of a preference. I like girls, but I can't totally go there because I like guys more. I have to have my guy!

XL Girls: What do you like the most about three-ways?

Zeta: I like to perform on the girl, and I'm not too big on oral being done on me. But it usually happens. And I actually like the fact that my husband is the guy who is with us. I think it's very hot and sexy when he leads us around, because I can be kind of shy.

XL Girls: You've mentioned being shy a couple of times. Before getting married were you reserved about sexual kinds of things?

Zeta: I think I was more worried about the person liking my body. I'm a good person, I have a good sense of humor and I'm a good friend. I'm kind of bubbly. So I'm pretty much

"I WAS A SIZE C IN SIXTH GRADE. I DON'T EVEN RE-MEMBER A AND B CUPS."

liked in my circle of friends. I always knew having that friendship connection with someone I had sex with wasn't going to be an issue. But my body was what I was always shy about.

XL Girls: Did your husband help you to be more comfortable and at ease with your body?

Zeta: He did. He really likes girls built like me, and as I'm getting into modeling I'm finding there are a lot of guys out there that like curvier girls. For a long time I didn't believe my husband when he told me that he liked my body the way it was, but I was finally able to accept it. And I was totally fine with being here undressing, whereas before I'd probably be really shy and trying to hide somewhere.

XL Girls: Trust us, there will be a lot of guys who will be happy that your husband convinced you to pose for us.

Zeta: [Laughs] Thank you!

XL Girls: What do you think it was that finally made it click for you to be more comfortable with yourself?

Zeta: Just realizing that there isn't anything wrong with the way I am. Just because I'm not a really skinny girl doesn't mean that I'm any less attractive. As long as I like myself, that's the most important thing. Beauty is in the eye of the beholder. Also, I've been going on your website and looking at the kinds of girls you shoot and it makes me feel better. And the guys really like them so that's a confidence booster.

XL Girls: Yes, it is. Now, you and your husband have a girlfriend, right? Tell us more about that.

Zeta: Yes. They had actually gone to high school together, and she always had a crush on him. When she was 16 she moved

"I'M FINDING THERE ARE A LOT OF GUYS OUT THERE THAT LIKE CURVIER GIRLS." away. About two years ago she found him on Facebook and they started talking again. He travels for his job, and they got to re-connect during one of his trips. When he got back he told me that she was a good person and a good friend. So we met up with her, we went out and had some drinks then went back to the hotel room and the rest is history. We all agreed that we would like to be together.

XL Girls: Is this a long distance relationship between the three of you?

Zeta: Yes, because we live in Texas and she lives in Louisiana. But we make sure we make time once or twice a year to go out and see each other and hang out. Which I think is good, because if you're going to have a boyfriend or girlfriend like that it's better if they're not in the same town. Think of how you get tired of your spouse. It could happen with your girlfriend or boyfriend, too, and then you start bickering with them. And it'll never be the same. So it works out well for us.

XL Girls: Do you have threesomes when you go out to visit her?

Zeta: Yes, we do. Sometimes we'll go see her individually or she'll come out here. But it's not like all we do is have sex all the time. There is sex, but there's more to it than that.

XL Girls: Since you're into women, what kind do you like?

Zeta: Curvy. And with the personality I like people who are fun and very down to earth. Not anyone who is too egotistical or judgmental.

XL Girls: You know how sometimes men will say they're boob men or butt men? Do you have a preference for boobs or butt?

Zeta: I like the back view, and the butt. I think that's my favorite area of a girl. **XL Girls:** And what kind of guys are you normally attracted to?

Zeta: It's the same thing for guys. They have to be down to earth. Goodlooking and well built. As long as their attitude is good and they're not full of themselves then we can hang out. And humor is really important.

XL Girls: You have to be able to make the girl laugh.

Zeta: Yeah, or they have to laugh at my jokes!

XL Girls: That's true! You don't want to be the only one laughing at your own jokes. Now, going back to women, have you ever been with one

one-on-one or has your experience with women only been in three-ways? **Zeta:** I've been with them one-on-one.

XL Girls: Have you ever used a strapon with a woman?

Zeta: No. I'd rather use my hands and mouth on a woman. And dildos are okay, too. But more for her than me.

XL Girls: When you go out how do you like to dress?

Zeta: I like to dress up because I don't get the chance to do it too often. I go into work with jeans and a t-shirt. But I like to dress up. The only thing is that I don't have the best fashion to try at home!

XL Girls: We're glad we could inspire you, especially if it means you're going to be dressing more sexy. Do you ever wear low-cut shirts?

Zeta: I do.

XL Girls: And do you get attention

from people? Zeta: I do.

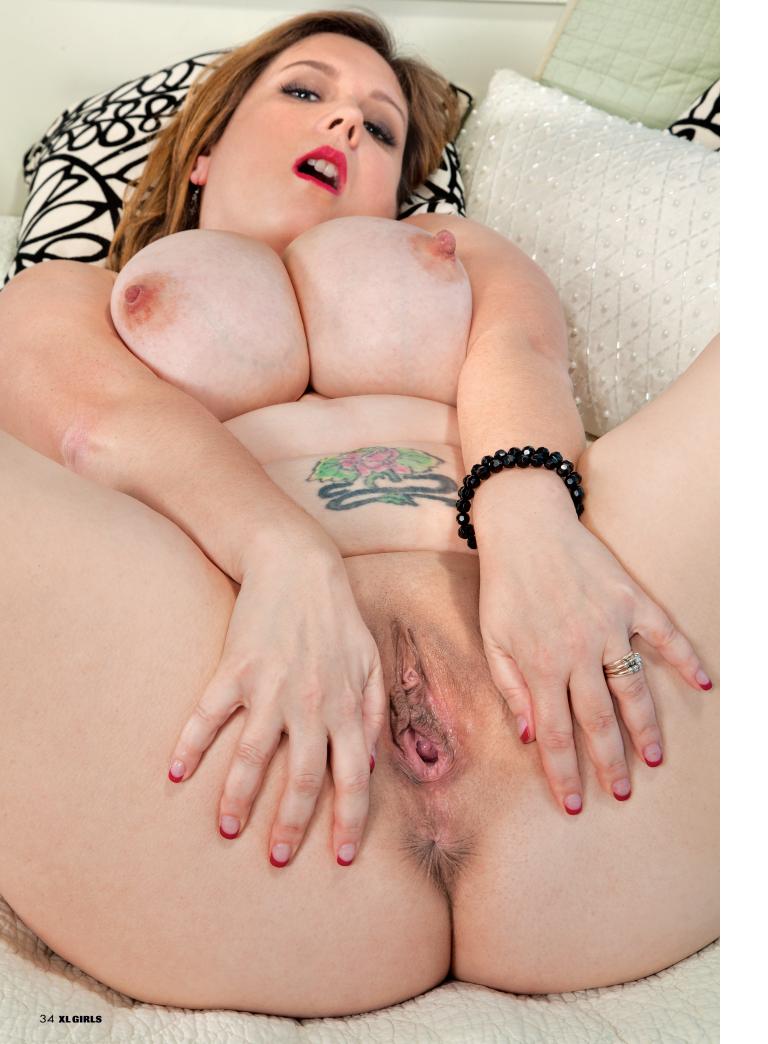

XL Girls: And what happens?

Zeta: If I notice that I'm getting attention from the neck down I might bounce a little extra when I walk, or pull my shirt down a little bit more.

XL Girls: Do you get approached a lot

place where I see people from all over the United States and sometimes other countries. It's a rehab center, so I'm in contact with a lot of male clientele. I have to take their blood pressure, and I can always tell whenever they're looking at my boobs.

XL Girls: Have any of the clients tried to pick you up?

Zeta: Yes, a couple of times. But they're warned coming in that there is no fraternizing at all. There was one time I was sitting in my station with the door open and one guy walked by and was like, "Damn girl! I didn't see you before. You're the best one here!"

XL Girls: Did you thank him?

Zeta: Well, I think I just laughed. Because how do you really respond to that kind of thing at work?

XL Girls: Yeah, it can be awkward. So going back to the way you dress, do you ever wear lingerie?

Zeta: I don't. It's something I would like to do more of. But I guess for me I'm more eager to get naked.

XL Girls: Do you have an exhibtionist side at all?

Zeta: I'm not an exhibitionist but my husband and I have gone to Hippie Hollow before.

XL Girls: What is that? Zeta: It's a nudist park. XL Girls: How was that?

Zeta: It was interesting. I'd never been in a place with so many naked people before, and I couldn't stop staring at everyone. It was like sensory overload with all these naked bits everywhere.

XL Girls: And you got totally nude?

Zeta: Yes.

XL Girls: What kind of people did you see there?

Zeta: Nude?

XL Girls: [*Laughs*] No, like were they older or younger or...?

Zeta: Oh, there were all kinds of people. But I'd say mostly older people and some younger.

XL Girls: Did you have any conversations with anyone?

Zeta: We did. It was pretty funny because we were just talking about normal things like the weather and where we're from and our families, and we were all totally naked and not even making an issue of it.

XL Girls: Something else I noticed that you wrote on your questionnaire was that with men you're more passive, and with women you're more as-

"WITH GUYS I PREFER TRADI-TIONAL ROLES WHERE THEY INITIATE. WITH WOMEN I DO MOST OF THE WORK."

sertive. Can you tell us more?

Zeta: I think I'm more confident with women. With guys I prefer traditional roles where they initiate. With women I do most of the work. So I just get right down to it.

XL Girls: What's your favorite position to have sex?

Zeta: There's two of them actually. I like good old fashioned doggie-style, and I like to be on my back with my

legs on the guy's shoulders.

XL Girls: Do you like to have your boobs played with?

Zeta: I do, but they're sensitive so there's a very specific way it needs to be done. When I'm in the mood for it I just let my husband go at it. He, or any other guy can play with the actual boob hard. But the nipples are sensitive so they need to be more careful there. But every now and then I'll let

DELILAHBLACK

What kind of girl do you think Delilah is?

Does she strike you as the girly kind who likes to be wined and dined? Someone who likes a little romance before making love while surrounded by candles? Or is there something in her eyes that tells you she's kinky? Do you get the feeling that she loves BDSM, face-sitting, tit-smothering and ass and foot worship? If you guessed the latter, then you would be absolutely right.

my husband play with them hard.

XL Girls: I noticed you have pretty large nipples. Do you think that's why they're so sensitive?

Zeta: I'm not sure.

XL Girls: Because I've heard a theory that the larger the nipple the more sensitive it is.

Zeta: It could be. For a while I was actually considering getting a reduction or a lift, and one of the side effects is loss of sensitivity so that would have been a plus. But now I'm thinking against it. I want to keep these boobs.

XL Girls: Yes, please keep your boobs! How come you were thinking about getting a reduction?

Zeta: Mostly because they're heavy and they tend to get in the way.

XL Girls: And what changed your mind about the reduction?

Zeta: Well, my husband didn't like the idea. Even if it would have meant that my nipples would be less sensitive. And I don't know, I just woke up one day and realized it was a terrible idea. They look good, and people have always told me how nice they are, so why would I want to get rid of them? Also there could be complications, or it could look bad after. And it's really just not worth it.

XL Girls: We're very glad you came to that conclusion.

Zeta: I am, too. I feel a lot better now. **XL Girls:** So you're going to shoot hardcore for us today. How do you feel about that?

Zeta: I'm a little nervous, but excited to get into it. The guys are really cute and seem nice and respectful. So I'm sure I'll have fun.

XL Girls: So before we wrap up this interview, is there anything that you haven't done that you would like to?

Zeta: With sex I'm open to new experiences. I just go with the flow as long as I can have my say in things and everyone is respectful.

XL Girls: So maybe some anal action in the future?

Zeta: [*Laughs*] Maybe, that's a little intimidating though. I'll have to try it at home first.

XL Girls: You do that.

Zeta: I just might. Shooting with you guys has me wanting to try all kinds of new things.

ANGEL DELUCA

There's a very naughty girl hiding behind that smile.

Meet Angel DeLuca. On the outside she looks sweet as pie, but on the inside she's a very bad girl. We love it when a woman isn't exactly what she seems to be. It's a pleasant surprise to find out that the girlnext-door is really an undercover freak. In Angel's case, she is a dominatrix who loves to be in control. "I am very open-minded and willing to try just about anything. I took a job as a dominatrix on a lark and ended up loving it. I got off on people relinquishing control to me and worshipping me. And at the very least, it gives me a lot of interesting stories to tell. As for myself, I like a little bit of pleasure mixed with pain."

So, about those interesting dominatrix stories. Here's one of them!

"I'm actually married to a woman who was one of my subs. She was one of my clients, and one of the few females. I was immediately intrigued by her because most of my clients are men. She is so beautiful and different that I couldn't help but be attracted to her. We started hanging out together outside the domme scene and ended up dating. And the rest is history."

Kendra Grace & Jack

This is a very special scene for Kendra. That's because it was her first time doing anal-ever! She decided to take the plunge because, well, why the hell not! "There aren't many things that I haven't done, except for anal. I never really had a fear of doing anal; it was just something that I hadn't tried yet. So one day I just woke up and decided that I wanted to get fucked in the ass!"

In Kendra's interview in the March '11 (SP207) issue, she mentioned that she hadn't done anal yet but was considering it, saying that she'd "sit on some toys tonight and see how that turns out for me." Apparently it turned out pretty well, because Kendra took that cock in her ass like a champ! After her butt-banging, Kendra told us more about her first anal experience: "I didn't have an anal orgasm, probably because it was my first time. But I could definitely see how people can, and why they love it so much. You just feel so filled up, and I loved feeling his balls slapping against my pussy, Anal is something I want to do more of, but not all the time. I wouldn't want it to lose its magic."

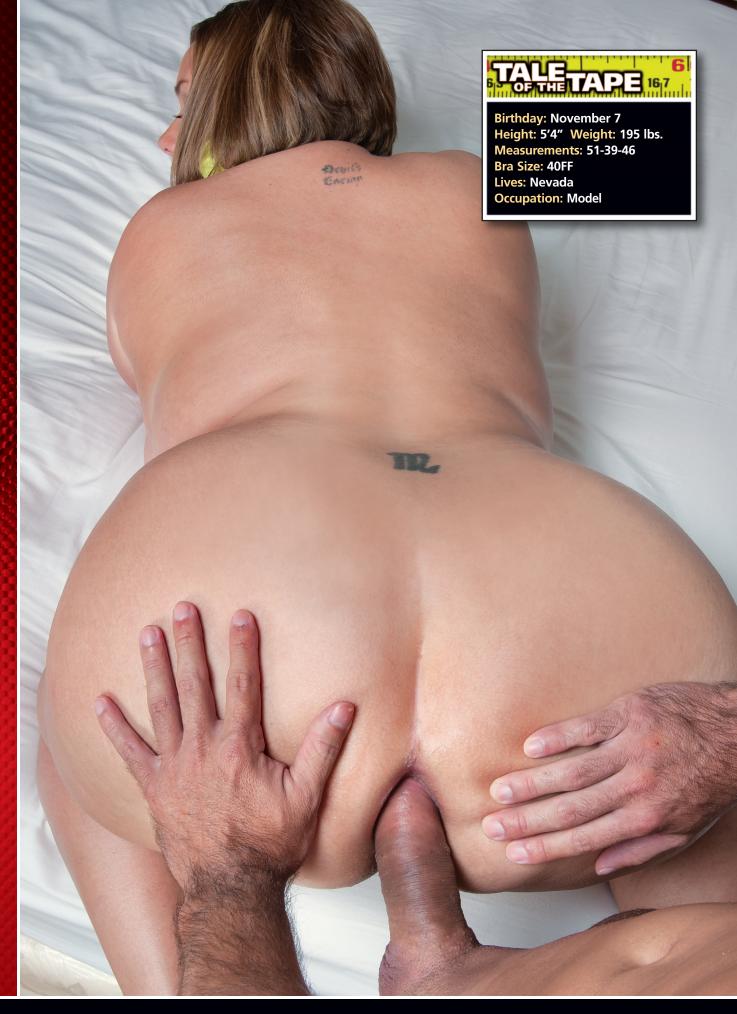

DORS FELINE

This was the first time Dors had ever tanned her sexy, pale tits on a beach.

As you can see in these photos from Dors' shoot in the Dominican Republic, she has some color on her normally milky-white tits. Being so taken with the scenery, she spent as much time as possible soaking up the rays. "It's a bit of a drive from where I live to the coast, so I never go. I've actually never layed out on a beach to tan. It's usually too cold or rainy. And the coast in the UK is different than it is here. The Dominican Republic is much more tropical, and the water is so warm! It just makes you want to take off all your clothes and relax!"

Do you like the skimpy bathing suit we provided Dors with?

As it turns out, Dors only had one bathing suit that she barely ever wore. And she had long outgrown it. As much as we love seeing girls stuff their puppies into too-tight swim suits, we still offered Dors something a little more accommodating to her big chest. "I love this bathing suit. It's very sexy, but I don't know if I would ever wear it out in public! The attention would be a little too much, and I'm kind of a shy person."

66 XLGIRLS

This trip brought out the exhibitionist inside this Brit babe.

You may find this surprising, but Dors is a bit modest. Yes, despite the fact that she has posed for XL Girls and V-mag, Dors keeps things covered up in her everyday life. "I do love to dress up and wear sexy clothes, but that's mostly for the privacy of my own home. When I go out in public I dress casually and not all that revealing." However, during this trip Dors flashed her boobs to some very lucky beach-goers. "I've never done anything like that before! Normally my boobs stay under wraps unless I'm modeling or at home. But I don't know, something about this weather makes me want to act a little crazy!"

TRINETY GUESS

Say hello to newcomer Trinety. This redhead really loves pussy!

"I love pussy. I like my ladies curvy like me, with little boobies. And they have to keep their pussy clean and shaved and have tight thighs. If she meets those requirements, and has a good personality, I'll make her cum several times in one night. Several of my exes have told me that I've given them more orgasms than anyone else." And does that extend to guys, too? "I've given men plenty!"

Trinety is monogamous with men, but a total slut with women!

When she's with a guy, he's the only cock in her life (and pussy), but Trinety likes to have her women buffet style—more, more! "I love women too much to just have one. I like to have a harem—a big variety of pussy for me to pick and choose from. My husband loves to watch me have sex with all these other women while he sits in the corner and jerks off. I think the girls I fool around with like that voyeuristic aspect of it, too. I mean, who doesn't like to be watched?"

She's also a fan of public sex.

"I was at Busch Gardens and riding all those rollercoasters had my adrenaline going or something, because I was feeling really kinky. I wanted to have some kind of sex while I was there, so my husband and I went into the handicapped bathroom next to Montu and I sucked his cock. There were other stalls in there and people kept coming and going. I have no idea if they knew what was going on, but I really hope they did know!"

MOLLYHOWARD

This plump newbie is young, stacked and pierced.

Molly is only 20 years old and already has a 38DDD rack. This Florida native also has her tongue and clitoral hood pierced. But these things aren't so uncommon for an XL model. What is unusual is that she also has a mouth full of metal, a rarity for XL indeed! In fact, we're hard pressed to think of any XL Girls who've had braces. That would make Molly a first! And speaking of firsts, this is Molly's first time doing professional modeling. "I couldn't sleep last night because I was so excited to come here. This has been a fantasy of mine for a long time."

XL GIRLS 77

Something that you should know about Molly: She loves creampies!

Is that the best news ever or what? According to Molly, she is extremely turned on when a guy cums inside of her. "Just knowing that I turn someone on enough to get them off satisfies me to the full extent. Knowing that guy is blowing his load inside of me because my pussy feels that tight and that good is awesome. A lot of the time I will orgasm at the same time a guy does when he's cumming inside me because I really do get that turned on by it. I feel like my pussy milks the cum out of him!"

I could not help but comment on the bounteous body of Karla Lane. I love her perfect, plump as and hairy clam. She is such a curvy, little cutie. I look forward to blowing cum to her sexiness in future *XL Girls* and V-mag issues. The Feb. '12 *XL Girls* will go down as one of my favorite mags of all time from *XL Girls* and V-mag. Thanks again for all the plump beauties.—G.V., Manitoba, Canada

Bailey's Bald Butthole

Dear XL Girls,

Bailey Santanna has the best looking asshole ever. You provided us some excellent shots of her anus and pussy in her most recent pictorial in the May '12 (SP227) issue. I love how perfectly hairless her pussy and asshole are. Her asshole literally glistens because of how smooth and clean it is! Now that's one salad I wouldn't mind tossing! The rest of her is just as delicious, too. From her big milkers to her sexy belly...mmmm. She seems like a fun gal to hang around, too.

Please include more spread ass shots like Bailey's. But only if the girl shaves or waxes her pussy and butthole. Part of the reason Bailey's butthole shot looks so amazing is because

Anorei's lactating scene in *Full Figured Foxes 2* was a winner!

she's completely hairless. I'm not into the bushy look. It looks kind of freaky. But good job with Bailey, along with Terri Jane, Danica Danali, Natalie Fiore and all the other shaved babes in that issue.—J.S., Albany, New York

Marilyn's Horny Twin

Dear XL Girls.

I had to do a double take when I saw Marilyn White in the May '12 (SP227) issue. She looks exactly like this woman I had an encounter with once. In fact, I was convinced it was her until I saw Marilyn's location and realized that we live nowhere near each other. I would still like to share the story with you anyway, as the girl was seriously Marilyn's twin.

The girl worked in a clothing store that I was shopping in. As soon as I walked in my attention was glued to her. I think she sensed it because she immediately came up to me with a big smile and asked if I needed help. Then again, I'm sure it was obvious because I was staring at her like a hungry wolf. Feeling shy and caught off guard, I told her I was just looking. I immediately felt like a pussy once

Doesn't Bailey look like she could be put on a platter and served for dinner? Her hairless twat and asshole look delicious, especially according to reader J.S.

she walked away and started thinking of a way to ask for her number. I picked out a few items that I had no real intention of buying and told her I'd like to try them on.

She was wearing a low-cut shirt

with what had to be a push-up bra and tight jeans. My eyes were glued to her round ass as I followed her into the fitting room. At this point I started to get a boner and strategically hid it with the clothing I was going to try

on. The girl unlocked a fitting room and reached out to take the clothing so as to hang it up for me, and I refused a little too ardently for fear that she would see my raging hard-on. In retrospect, I'm sure she knew what was going on.

So there I was in the fitting room, stroking my cock and thinking about blowing my load all over her juicy rack. I must have lost track of time because she knocked on the door and asked if everything was okay. I said yes, and then to my surprise she asked me if she could come inside! I opened the door a crack and said I was fine, to which she replied, "But I can make you feel even better." Well, shit, okay! I let her in and didn't bother to hide my erect cock. She looked down at it, spit on her hand and started jacking me. At first she did it slowly, then gradually picked up the pace and tightened her grip till my nuts were tight and ready to blow.

After about three minutes of her jacking me off I shot the biggest load all over the floor. She smiled cooly and complimented me on how much cum I'd ejaculated, then walked out. After I finished cleaning up I went out to look for her but another employee told me she had left for the day. I visited that store a few times in the following weeks but never saw her again. Now imagine if this mystery temptress really was Marilyn!–F.S., San Diego, California

Porsche Dali & Danny

Porsche loves to fuck. It's obvious from watching any of her scenes. She screams, moans, cums and begs for more. "One thing that I love is when a guy spreads my pussy open wide with his hands and then licks it. It's kind of dirty and it lets me know that the guy is into me." With a pretty, shaved pussy like Porsche's, how could you not want to dive right in?

You may notice that Porsche has some new body art from her last appearance in *XL Girls* Feb. '12 (SP222). She's a bit of a wild child who enjoys body modifications as much as she does sex. "I like tattoos and piercings, and guys who have them are hot. I love my nipple piercings. If you tug on them gently they feel so good. My nipples aren't very sensitive to begin with so before I got them pierced the other person would have to be rough for me to feel it. With the piercings, they're a lot more sensitive."

So what does Porsche like in the bedroom? A lot of variety. She's the kind of girl who wants to try everything, and does so with gusto. "When I have sex I have to do a lot of different positions. I get bored if we just stay in missionary. Even if we try a new position and it doesn't feel that great, I still like the fact that I'm in a new position. And it's even hotter if it's a really exposed, vulnerable position like the pile driver. I also like to dress up in lingerie. Even though I'll eventually just be taking it off, I like to tease the guy and put on a show for him before we get it on. It's all about building up the anticipation and desire."
